### **Why You Need Accident Insurance**

A serious accidental injury or death can have tremendous consequences. A serious injury may prevent you from meeting your financial obligations and your loss of life may leave your spouse with insufficient financial resources to pay for the care that your loved ones may require.

The Policyholder has provided for you Accident Insurance coverage underwritten by AIG Insurance Company of Canada. The policy provides a lump sum benefit to help ease the financial impact and assure your family's needs are met if you should suffer loss of life as a result of an accident. Your accident coverage also provides you with 'living benefits' should an accident leave you paralyzed or should you lose through severance, or loss of use of a limb, sight, speech or hearing.
